

2020 9th International Conference on Chemical and Process Engineering (ICCPE 2020)

Moscow, Russia | May 20-22, 2020

www.iccpe.org

Main topic:

Environmental engineering and sustainable development

New materials & structured products

Process control & operations

Economics and Business Management

Chemical engineering fundamentals

Interfacial & colloidal phenomena

Nanomanufacturing

Advanced materials processing

More info, please go to: <http://www.iccpe.org/cfp.html>

Key Date:

- Submission Deadline - March 20, 2020
- Notification Due - April 5, 2020
- Registration Due - April 15, 2020

Contact:

Ms. Jane Li iccpe@cbees.org
+86-28-87577778

Submission Method:

- Full paper (Presentation and Publication) & abstract (Presentation only). No less than 5 pages.
- **Conference Management System**
- Send via conference Email: iccpe@cbees.org

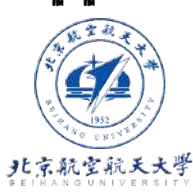

Keynote Speakers:

- Prof. Arcady Zhukov - University of Basque Country, Spain
- Prof. Sergei Alexandrov - University of Basque Country, Spain
Beihang University, China & Russian Academy of Sciences, Moscow, Russia

Conference Venue:

- Peoples' Friendship University of Russia (RUDN University)
- Address: 117198, Moscow Miklukho-Maklaya str. 6, Moscow, Russia

Technical Support by

Co-organize by

RUDN
